Do you require additional workforce support within your Satellite Club?

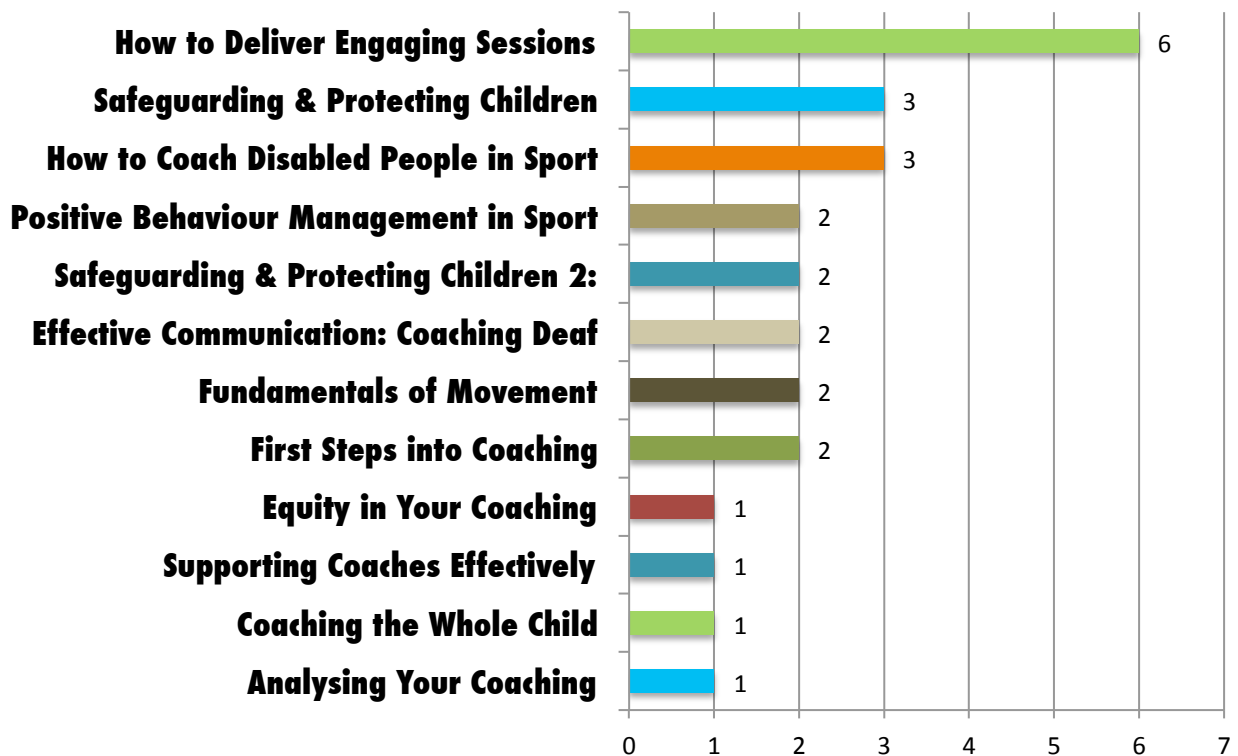

Three comments were made all noting they will require additional coaches to support the club if it is popular.

Which roles do you require to support the delivery or raise the quality of your Satellite Club sessions?

Lead Coach, Assistant Coach and No help required all scored highest

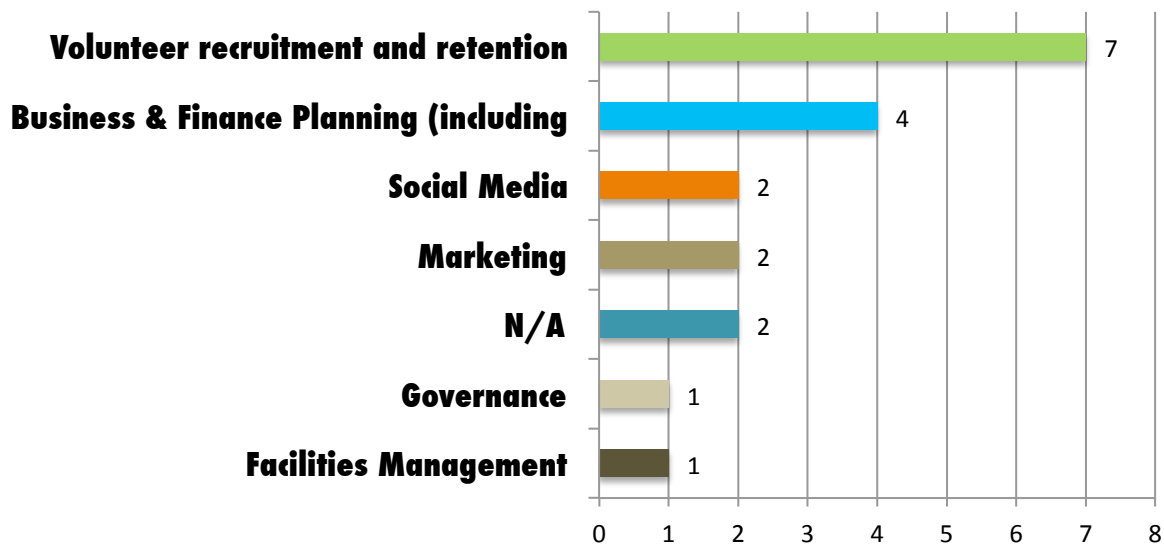

Which of the following workshops would develop your coaches to help support Satellite Club delivery over the next 12 months? (maximum of 3)

70% would like to develop their coaches through mentoring support

But... 1 respondent is not sure what mentoring support entails?

Which of the following areas would you like to develop your club & volunteers to help support Satellite Club delivery over the next 12 months? (maximum of 3)

0 other areas of development

Long term development – action planning

0 other comments

Facility costs are a big issue

It is useful to be aware of these services

What does this all mean?

- ✓ **Mentoring support needs to be explained and understood by satellite clubs**
- ✓ **Satellite clubs will require additional coaches if club is popular**
- ✓ **How to deliver engaging sessions is the highest scoring workshop**
- ✓ **Volunteer recruitment and retention is important**
- ✓ **Business and finance planning is an area that needs further development**

Next Steps

Active Sussex will look at offering the most requested workshops from this survey to develop coaches and volunteers within the satellite club structure. Active Sussex will ensure satellite clubs are well informed of the Coach Mentor Scheme and will offer this programme to 10 clubs starting in September 2014.
