What does this all mean?

The 2015 volunteer survey is extremely important for Active Sussex. We are investigating new ways in which we can improve our volunteer offer and feedback provided will shape any future proposals.

- ✓ We will continue to communicate via the e-news
- ✓ The new Sussex volunteer website will be reviewed
- ✓ An e-learning approach will not be implemented at this stage
- ✓ Training/workshops are still popular and we will continue to offer them
- ✓ Continue to reward and recognise worthy volunteers
- ✓ Focus on short term opportunities and high profile events
