

## CASE STUDY

**School:** Lyminster Primary School

**Contacts:** Carol Rusbridge & Yasmin O'Brian

**Website:** <http://www.lyminster.w-sussex.sch.uk>

**Focus:** Extra-Curricular Clubs & Partnership Work

### Pre-PESS Premium

- Very little sport/competition in or out of school.
- No representation at local sports events, training or meetings.

### Premium Impact

- Vast range of sport and activity opportunities offered.
- 83% of all pupils regularly attend sport clubs.
- All disadvantaged pupils attend extra-curricular clubs.
- Approximately 60 competitions now attended each year.
- Platinum Quality Start Award.
- Gold School Games Mark.
- Active Sussex Primary School of the Year 2016.

### First Actions

- Whole school review of PE and sport offer/provision.
- Brought in coaches and companies to offer PE and sport opportunities.
- Improve teacher CPD, sport club offer and update equipment.
- Plan and review termly against action plan.

### Highlights

- British Heart Foundation Skipathon raised over £1000.
- Pupils audition to participate in a Dance exhibition each year for the local community. A dance company trains pupils and they also have a photoshoot.

- Opportunities offered for pupils to attend a vast array of sports and activities through effective use of partners and providers.

### Healthy Lifestyles

- Personal Development Week. A new PE scheme was launched, lessons focused around health and work was exhibited to parents.
- Targeted support for overweight pupils utilising the school nurse.
- Use of Rising Stars PE scheme that has a strong focus on health.
- Outside areas improved to encourage more physical activity.

### CPD

- Teachers questioned to establish training needs.
- CPD providers were researched into and monitored thoroughly. The school's specific aims were discussed so that a tailored approach was provided.
- Local PE teacher provided through the local sports partnership was used to provide initial PE training for NQTs.

### Partnership Work

- Chichester Fencing Club provide a breakfast club and entry into competitions.
- AAA Coaching has provided a very effective gymnastics team teaching experience.

- Aspire Sport deliver PlayMaker Award for Y6s.
- Links have been made with local tennis, street dance, tri-golf, sailing, hockey and rugby sports clubs.
- Forest School offered throughout summer.

### Sustainability

- New PE scheme of work and progress assessment.
- Annual staff CPD, now tailored to individual requirements.
- Links with community clubs and competitions that will continue post-premium.

### What's next?

- Maintain current quality of provision.
- Further develop quality of KS1 provision. Utilise the Quality Start award to assist with this.
- Increase the amount of pupils attending sport matches.
- Incorporate more widely recognised awards for pupils e.g. Sports Leaders.
