

Provision for disabled adults and children and young people

Last updated 09.11.2020

Resource	Description	Age	Link
Making Sense of Mini-Games	The 'Making Sense of Mini-Games' resource, created by Sense Active, is designed to support people with multiple or complex disabilities to be active at home. The resource includes step by step instructions and activity cards including games that can be enjoyed with little or no equipment, or in any sized space. The resource provides activities that can be enjoyed at home, in the garden or at a local green space either singularly or in groups.	All	https://www.sense.org.uk/get-support/arts-sport-and-wellbeing/sense-sport/resources/
